

THE ADA LEGACY PROJECT

PRESERVE • CELEBRATE • EDUCATE

Project Description

In 2015, the **Americans with Disabilities Act (ADA)** will turn twenty-five. In celebrating passage of this historic civil rights legislation, we will be looking at the past, present, and future of Americans with disabilities.

The ADA Legacy Project's mission is to honor the contributions of people with disabilities and their allies by:

- **preserving** the history of the disability rights movement;
- **celebrating** its milestones; and
- **educating** the public and future advocates.

ADA25

Our primary focus is the celebration in 2015. Get involved and join us!

- **The ADA Legacy Tour:** adalegacytour.com
- **ADA25: How will YOU celebrate?** ada25.com
